“ I was diagnosed with ovarian cancer in early March 2024.

My son told me about Giving Kitchen soon after my diagnosis and realizing that I would have to be out of work for several weeks or months, I decided to contact your organization. Giving Kitchen's help made this overwhelming intrusion in my life a little less scary.

GIVING KITCHEN HAS HELPED FOOD SERVICE WORKERS IN 48 STATES

ALL TIME STATS:

Financial assistance awarded has provided an estimated 751 years of rent to households containing an estimated 4,350 children and 2,850 additional household members.

GK estimates that we have prevented the homelessness of approximately 4,200 of these clients, 3,150 of their children, and 2,050 of their children.

We estimate GK has prevented over \$550,000 in late fees to food service workers.

Since inception in 2013, 43% of all Ask For Help forms (the very first step in receiving assistance from GK) were received since the start of 2023.

Giving Kitchen clients have been served in six different languages.

QPR — QUESTION. PERSUADE. REFER.

Since inception, over 958 food service workers have completed the course. In Q1, 66 food service workers took the one hour course to learn QPR, the CPR of suicide prevention.

Help us reach 1,000 completions in Q2.
